PROFILE

Hi! I'm Samu, a Finnish **Front End Developer, Computer Science Student** and a **Huge Web Accessibility enthusiast!**

I'm interested in all things tech, and currently searching for **Trainee / Junior positions**. Let's have a chat and get to know each other! 🙌

EDUCATION

STUDENT OF COMPUTER SCIENCE

University of Turku
2020 ->

UNDERGRADUATE

Turun Klassillinen lukio
2012 - 2015

SKILLS

Technologies I'm familiar with:
JavaScript, React, CSS, Bootstrap, Java, HTML5, Google Cloud Platform

Technologies with basic skillset:
Python, SQL, TCP/UDP

EXPERIENCE

STUDENT AMBASSADOR

2021-2022 | University of Turku

Representing University of Turku and students on social media platforms and happenings related to studies. For example I hosted University of Turku Instagram for a week and talked about things like Accessibility and Equality in tech, as well as topics like future of AI and challenges within it!

CUSTOMER RELATIONS CO-WORKER

From 2018 to this day | IKEA Raisio

At IKEA I've been doing a lot of customer service all around the shop. I've handled a lot of challenging and inspiring new situations. I've also have got a chance to help our IT Department from time to time, on tasks like renewing the entirety of our Server room.

CIVIL SERVICE

From 2016 to 2017 | Vimma Art and Activity Centre for Youth

Was a helping hand at all kinds of happenings at the Vimma, from Counter Strike tournaments to art exhibitions.

I also managed a Video Game Club for special education pupils, where these young guys beated me badly at NHL 17!

RESTAURANT CO-WORKER

From 2015 to 2018 | Hesburger oy

I learned to work fluently and without stress in a very fast and pressured enviroment. I also learned customer service, and got the record of our restaurant; Most positive feedback received in a month, ever!

POSITIONS OF RESPONSIBILITY

STUDENT ASSOCIATION PRESIDENT

2014 | Turun Klassillinen lukio

REPRESENTATIVE OF EQUALITY AND SOCIAL POLITICS

2021 | Faculty of Science and Technology Student Board, Hybridi ry

ASSOCIATE STUDENT REPRESENTATIVE OF BOARD | EDUCATION COMMITTEE

2021 | Tekniikan Akateemisen TEK ry
